DETAILED ACTION

This is an Allowance for application no. 10/619,113 in response to the election made February 9, 2007 wherein claims 1-4 are presented for examination.

Election/Restrictions

Applicant's election without traverse of species of Figure 1, related to claims 1-4, in the reply filed on February 9, 2007 is acknowledged.

This application is in condition for allowance except for the presence of claims 5-8 directed to a species non-elected without traverse. Accordingly, claims 5-8 have been cancelled.

Allowable Subject Matter

Claims 1-4 are allowed.

The following is an examiner's statement of reasons for allowance: After a thorough search and examination of the present application and prior art made of record, claims 1-4 are found to be in condition for allowance.

The claims are allowable over the prior art of record since the cited references taken individually or in combination fail to particularly disclose an electronic endoscope apparatus as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
